Landscape Architects and CAD Technicians

Richards, Moorehead and Laing Ltd, a multi-disciplinary practice established in 1984 has a wide portfolio of work in infrastructure projects, renewable energy projects and residential and leisure development. Our team is composed of Civil Engineers, Landscape Architects and Managers, Town Planners, Environmental Practitioners, Archaeologists and Ecologists.

We are looking to grow our team in the following positions to meet increasing workflow:

Graduate Landscape Architect, £18k to £25k

We are looking for creative, hard-working experienced graduates or recently-graduated landscape architects to join our team. Good graphic skills and writing skills are essential.

All candidates should also be fluent in AutoCAD & Adobe Creative Suite and be commercially minded.

CAD Technician, £20k to £25k

We are looking for a CAD technician with excellent AutoCAD 3D skills in particular applied to civils and landscape projects, with Adobe Creative Suite skills, and a good eye for document layout and presentation. If you are keen to get involved in large and complex projects and deal with a wide variety of other professionals to overcome technical and procedural problems we would be keen to hear from you.

Welsh language skills would be advantageous but not essential.

RML is a family owned company, winning many awards since its incorporation including two Landscape Institute research awards and a Europa Nostra award for our historic landscape work in Ireland. Our office is based in Ruthin, Denbighshire, from which we operate UK wide. We envisage this role being primarily office based.

Ruthin is 30 minutes from Chester, and around an hour from Liverpool and Manchester. If outdoor activities are part of your interests then Ruthin offers excellent access to Snowdonia and the growing adventure sports scene.

If you are interested in joining us please send the following:

- A brief covering letter outlining the why your particular skills are right for us.
- CV outlining qualifications and professional work experience.
- Examples of your graphic and written work.

Applications should be sent by post or email (20MB limit) to:
