

**Environmental Impact Assessment Consultant, salary range £40k to £60k depending on experience.**

Can you bring skills, flexibility, creativity and a team-working ethos to a small well-regarded landscape design and environmental management practice located in North Wales, 30 minutes from Chester?

We are looking for an enthusiastic and dedicated **Senior/Principal EIA Consultant** to be based in our Ruthin Office, Denbighshire to provide support to the wider multi-disciplinary team and lead on EIA elements of infrastructure and other projects. As an Environmental Consultant you'll coordinate environmental inputs to EIA screening and scoping reports, environmental assessments/Environmental Statements and supporting documents, including the technical review of specialist chapters. The role is office-based but will involve working away from home, on some high profile and challenging projects. You will have direct contact with clients and partner consultants. You will be involved in business development as well as fee proposals.

**Richards, Moorehead and Laing Ltd**, a multi-disciplinary practice established in 1984 has a wide portfolio of work in infrastructure projects, renewable energy projects and residential and leisure development. Our team is composed of Landscape Architects, Environmental Consultants, and Ecologists.

Candidates are expected to be Full IEMA members and have relevant first and second degrees.

The following qualities/experience are essential:

- A sound understanding of environmental management and mitigation on major infrastructure projects.
- Understanding of the benefits of working collaboratively to obtain the best environmental and sustainable outcome for the project.
- Excellent interpersonal and communication skills.
- Determination to see tasks through to completion, with excellent planning and organisation skills.
- Must hold a Full UK Driving Licence.

Welsh language skills would be advantageous but not essential.

RML is a family-owned company, winning many awards since its incorporation including two Landscape Institute research awards and a Europa Nostra award for our historic landscape work in Ireland. Our office is based in Ruthin, Denbighshire, from which we operate UK wide. We envisage this role being primarily office based.

Hybrid working available with minimum of 3 days of working week in the office. Ruthin is 30 minutes from Chester, and around an hour from Liverpool and Manchester. If outdoor activities are part of your interests, then Ruthin offers excellent access to Snowdonia and the growing adventure sports scene.

If you are interested in joining us please send the following:

- A brief covering letter outlining why your particular skills are right for us.
- CV outlining qualifications and professional work experience.

Applications should be sent by post or email (100MB limit) to:
